WHERE LEADERS COME TO LEARN

Our growth and development as leaders depends heavily upon who we surround ourselves with, the exposure we have to new information and perspectives, and most importantly, the new things we try in our roles. Come join an environment that brings all these core development pieces into one convenient package. The Leadership Series® is where your development experience is Automatic, Accessible, Relevant, and Connected.

- **Automatic** – Turn-key growth and development for your team you can count on…let us do the work!
- **Accessible** – Exposure to top-notch, high quality speakers.
- **Relevant** – Fresh content and new takes on well-known topics that are top-of-mind in today's business world.
- **Connected** – Rub elbows with some of the most prominent organizations in the Denver business community.

02.11.20 • Debra Fine Competencies: Influence-building & Interpersonal Communications

Building Business Relationships: One Conversation at a Time

The ability to influence, engage and motivate others — these critical leadership qualities depend on strong conversation skills. Business communications expert Debra Fine shows leaders how to make every conversation count, with a powerful, proven approach to making the personal connections that are vital to a leader's, and an organization's, success.

03.18.20 • Weldon Long Competencies: Positive Mindset-building & Fostering Resilience

The Power of Consistency: Achieving Greatness in the Face of Adversity

Setbacks happen. It's how the people inside an organization respond to adversity that makes all the difference. Drawing from his own life and leadership experiences, Weldon Long gives leaders tactics for turning adversity upside-down, so it works as a positive force for individual, team and organization growth.

05.12.20 • Torin Perez Competencies: Inclusive Leadership & Managing Workplace Diversity

Becoming an Inclusive Leader: Breaking Biases to Live and Lead with Openness, Understanding and Inclusion

How much more could you and your teams achieve without the burden of internal bias? Business transformation guru Torin Perez shows leaders not only how to recognize the biases that may be undermining their teams, their outcomes and their own leadership, but also how to move past them, to elevate people and their performance.

06.24.20 • Tracy "JackieO" LaTourrette Competencies: Performance Management

Flawless Execution: Use the Techniques and Systems of America's Fighter Pilots to Perform at Your Peak and Win the Battles of the Business World

Up your execution game by learning from someone whose job leaves no room for missteps, decorated military fighter pilot turned business strategist Tracy "JackieO" LaTourrette. The tips, tactics and strategies she shares work as well in a business setting as they do in the air.

09.15.20 • Mike Lipkin Competencies: Leading Disruption & Workforce Engagement

Dancing with Disruption: The Seven Secrets to Thriving on Massive Change so the Best People Want to Partner with You

As someone who's made a career out of showing organizations how to gain a competitive advantage through disruption, Mike Lipkin gives leaders a proven playbook for shaping a workplace culture where people come to work every day, primed to generate and execute on new ideas.

10.27.20 • Corey Ciocchetti Competencies: Authentic Leadership & Connecting Ethics To Performance

Inspire Integrity: Chase an Authentic Life

Keen business mind Corey Ciocchetti connects the dots between ethics, business excellence and individual fulfillment with leadership approaches that elevate people by inspiring them to act with integrity and purpose. For organizations that want to take the high road to success, Ciocchetti's perspective is not only refreshing, it's revelatory.

12.08.20 • Scott Halford Competencies: Talent Maximization & Retention

Activate Your Brain: The Neuroscience of Success

At the unique intersection between business strategy and brain science, Scott Halford sheds light on what turns people on and what turns them off, what attracts them and what repels them, and how leaders can channel these "soft" insights to get the "hard" results they seek.

Create a Performance Culture with Feedback

iLoveFeedback®

Feedback – timely, specific, two-way feedback is among the most effective communications tools we possess. And while we all possess the ability to master the art of giving effective feedback, most of us have not developed the skills necessary to do so. iLoveFeedback provides a best practice steps process to drive immediate results.

Consulting Services

Executive Forum's customized approach for managing consulting projects is scaled for each organization. Our senior-level team of Organizational Development experts tailor timelines, relationship-building techniques, communication and solutions to the unique needs of each company to drive instant business results and influence organizational change.

Certified WBENC Women's Business Enterprise

Executive Forum is certified as a women's business enterprise by the Women's Business Enterprise National Council (WBENC), the nation's largest third-party certifier of the businesses owned and operated by women in the U.S.

We recognize the commitment to supplier diversity that is embraced by corporations and government agencies today and we can add diversity to your supply chain.
